

MOTHELCRAFT COLLEGE

Creating Competence, Curiosity & Capability

Join us for a collaborative session designed for all early years practitioners!

You will learn how to:

- ◆ Develop specific learning opportunities that promote the principles and foundations outlined in 'How Does Learning Happen?'
- ◆ Design your environment as a Third Teacher that supports competence, curiosity, and capability
- ◆ Make learning visible and become a reflective and collaborative practitioner
- ◆ Create diverse experiences where children, families, and educators can question, explore, and learn together

****A Certificate of Attendance will be provided upon completion****
