

## ***Are you interested in running your own home child care OR working for a licensed home child care agency?***

**We are now accepting registrations for two upcoming EVENING programs!**

- ✓ Gain a better understanding of child development
- ✓ Improve your communication skills
- ✓ Learn about positive guidance, nutrition, safety rules, regulations and management
- ✓ Practice hands-on activities
- ✓ Receive a participatory certificate upon completion

The program costs \$325 and includes 24 hours of instruction at Mothercraft College (646 St. Clair Ave West & Bathurst) and a binder containing essential resources for the home based provider.

**NOTE:** To receive a certificate, participants must attend all sessions and provide proof of Standard First Aid CPR Level C certification. Any additional cost to complete the CPR training is not included in the program.
